<p>By signing, I accept the booking conditions of Adam Evans and confirm I am over 18. I understand and accept that the risks inherent in adventure activities such as hill walking, climbing, caving, mountaineering and the like, cannot be completely eliminated, and even if reduced to a seemingly acceptable level, there will remain the chance of unpredictable occurrences resulting in injury or death. Hi There

Thanks for booking with me, as you can probably imagine Adventure Activities and Outdoor pursuits are physically demanding.

Therefore it is advisable that everybody provides themselves with adequate food and drink for the day's events i.e. sandwiches, crisps chocolate, flapjack, and energy drinks or flasks.

British weather is notoriously changeable and occasionally very inclement. To protect ourselves from this, and help us enjoy the experience, each person will need to provide himself or herself with the following minimal personal clothing:

- **Waterproof Top and Trousers**
- **One or two warm tops**
- **Warm trousers (synthetic track suit bottoms suffice)**
- **Short sleeved top**
- **Thick warm socks**
- **Warm hat.**
- **Gloves**
- **Rucsac for equipment carriage**
- **Foot wear, appropriate for rugged and wet conditions.**
- **Sun hat, sun cream and sunglasses (summer conditions only)**

Please do not wear cotton tops or bottoms as the material stays cold and heavy when wet.

Remember dress warm.

Each person needs to read and sign the "Individual Details and Consent to Participation" paper work and post it to us. These details are required as soon as possible to make access and equipment arrangements.

Please bring with you any medication you may require and approximately five pounds in change per person, for possible car parking and any possible access fees.

Due to such variables as weather and access arrangements I cannot specify which venues are to be visited.

Although I do hold "Liability and Indemnity" Insurance no "Personal Insurance" is provided. As the fee is non-refundable (see booking conditions) you are recommended to obtain insurance in the event of your cancellation, accident, loss of baggage/money and/or liability. Contact a travel agent or the British Mountaineering Council for advice.

No provision is made for accommodation, food or group transport. If you would like help with this, log on to www.outdoorinstruction.co.uk where the links page has lists of recommended accommodation at various standards, or feel free to contact me directly at the numbers below.

If you arriving as a group, on the day please put as many people in each car as possible, to save car park space in the local area. Parking in these locations is often limited.

I will contact you a few days prior to the session, with our meeting points for the day. This is usually a local Café, where you are most welcome to join me over breakfast to set us up for the day. Introductions can be made and the day's events discussed. The activities will finish late afternoon, leaving you enough time for your evening activities, celebrations and travel arrangements.

**I'm are more than happy to answer individual questions directly
Feel free to contact me at the details given below**
